Pamphlet for officiating, coaches and players

Coach on Court

January 1, 2019

TOURNAMENTS:

1. **MASTER'S 10&U**
2. **MASTER'S 12&U**

TECHNICAL DETAILS

- Before the match, the Referee must clearly know which of the coaches will represent the player, this is the responsibility of all three parties (Coach, Player, Referee)
- **The coach is authorized to enter the court 1 time per set, but not at the moment when his / her player goes to the toilet or takes a medical break.**
- In Doubles the coach may additionally enter the court before the final set, the Tie-Break Match.
- The coach must wear the sportswear and the sports shoes on the court.
- If a coach violates the rules and order on the court or behind the court, the coach is not allowed on the court until the end of the tournament.

ALLOWED:

1. The coach may only enter the court after the player has called the coach through the Referee. That is, the coach is called to the court by the Referee, not the player himself / herself.
2. The coach can give verbal prompts, can also use gestures.
3. The coach may bring paper notes to show to the player.
4. The coach can help with stringing, dampener if the player needs help
5. In Doubles coaches can shift, i.e. for one set one coach may come out, for the other set another coach is allowed.

NOT ALLOWED:

1. The coach cannot provide medical care, massage, hold ice, bring medicines.
2. The coach cannot use electronic devices.
3. The coach cannot leave paper notes, only show it and then take it with him / her.
4. In Doubles, both coaches cannot be on the court at the same time, one coach per pair.
5. The coach must leave the court as soon as the Referee has announced "Time"
6. The coach cannot put pressure on the player, Referee or opponent.
